## Skin Enhancing Benefits

- Gentle and thorough cleansing without harsh chemicals or scrubbing.
- Antibacterial, balancing and anti inflammatory cleansing balm.
- Brightens skin by stimulating new skin cell growth and improving skin tone.
- Suitable for all skin types, even oily and combination skins as the balm dissolves the skin's own oil (sebum) and the essential oils balance and purify.
- Multi layered organic cotton muslin cloth helps remove all traces of the cleanser and gently exfoliates.

## Cleansing Balm Star Ingredients

- **Papaya Oil:** Contains the enzyme papain which assists in renewing the skin by dissolving excess sebum (oil) and removing dead skin cells.
- **Coconut Oil:** Cleansing, antibacterial, balances and maintains the acid mantle of the skin.
- **Golden Jojoba Oil:** Amazing liquid wax similar to human sebum prized for its balancing effect and calming and soothing properties.
- **Rosemary:** Boosts circulation, Stimulating, re-energising, cleansing for body and mind.

## Muslin Cloth Star Ingredients

- 100% Organic Unbleached Cotton cloth, nothing else!
- No synthetic dyes, pesticides or chemicals have been used to produce this gorgeous pure and natural cleansing cloth.
  - 100% Natural Full Ingredients List:

*Coconut oil, apricot oil, jojoba oil, evening primrose oil, mango butter, olive wax, papaya oil, carrot seed extract, essential oils of rosemary, palmarosa, litsea cubea, Himalayan cedarwood, juniperberry.*

After trying so many different cleansers and cloths I have found my HG (Holy Grail)! This is by far the best because my skin is so clean and soft afterwards, and not greasy or tight.

#### Instructions

- Apply a small amount of Cleansing Balm to the face and gently massage into the skin. Wet the muslin face cloth in warm or hand-hot water and squeeze out. Completely remove Cleansing balm with the muslin face cloth.
- Apply a thin layer of the Really Clever Cleansing Balm and leave on overnight as a purifying and balancing serum a couple of times a week or as needed for oily, congested and blemished skin.

#### Extra Use:

- Cleansing Balm can be used as a **pre-cleanser** to melt away layers of oil, sebum, make up, build up, grime and pollution particularly on congested and dull skin, leaving the skin ready for a deeper cleanse.
- The method of cleansing twice is known as the **double cleanse**. It is used by beauty therapists to professionally clean away all impurities for healthy skin. Use the Really Clever Cleansing Balm for both steps.
  - **Step 1:** Apply a small amount of cleanser to face and neck and gently massage into skin. Hold a damp warm muslin cloth over your face for a few seconds to and then wipe away with the cloth.
  - **Step 2:** Reapply a small amount of cleansing balm and remove again with a wet warm muslin cloth for a professional beauty salon cleanse!
- Before you remove the cleansing balm wet a muslin face cloth in warm water, squeeze it out and hold over your face for a couple of seconds for a quick steam clean and to soften the pores ready for cleansing.
- Leave the Cleansing bBalm on for longer to allow the essential oils, vitamins, and antioxidants to penetrate for an intense nourishing treatment.
- Can also be used as a purifying and balancing over night serum a couple of times a week or as needed for oily, congested and blemished skin.
