Maia you've done it again with a unique, well thought out offering. This natural perfume is a joy to use knowing it is chemical-free and pure!! Readers be warned, you won't be walking around in a cloud of perfume but at the same time, you won't be giving people or possibly yourself headaches with noxious synthetics! In fact, I am sure Bliss helped ease a headache I felt coming on after staring too long at my screen one afternoon at work!! Thank you Maia and I look forward to trying more of your products! 5 stars!!
